Florida Center for the Blind is hosting it's 6th Annual Dining in the Dark!

Guests will walk and dine in **total darkness** to experience the same challenges faced every day by blind and visually impaired persons. SWAT teams of the Marion County Sheriff's Office and the Ocala Police Department will escort guests into the darkness and serve the meals using night vision goggles. We will also be providing the Dining in the Dim experience for those individuals who prefer a more subtle experience into the world of vision loss.
