“A State of Vision” Plate

The State of Florida offers a specialty license plate called “A State of Vision,” which benefits the Florida Association of Agencies Serving the Blind, Inc.

If you purchase the plate for \$25.00 in one of the eight counties served by the Florida Center for the Blind, the money will come right back to FCB

to help your neighbors, friends and family members who may have lost their vision.

Leave a Legacy

Please consider making a bequest to Florida Center for the Blind in your estate plans.

These thoughtful gifts ensure that FCB can continue its work to enable persons who are blind and visually impaired to live safely, productively, and independently.
